Then look at me.
Yes...
Andrea, are you having fun?
How could I not have fun when I'm dancing with such a great guy?
It's the memory of a lifetime.
That's a little...
?
But, I just ate garlic...
He...he's laughing at me!!
hee hee
HA

I'm the same so it's not a problem
AH
More than that.
I should taste the champagne on your lips.
!!

aah
my head is spinning
Being touched by him
Embrace me more!
More

Oh no What am I doing!?
He's handsome!
Kyaa! I'm sorry. I didn't realize the song had ended!
If I don't wake up early tomorrow it'll be a problem, so I'm going to sleep!
AH!
AAHH! BLINK BLINK
AH..
Good night!
She ran away
ANDREA

bang
sigh
I've gone and done it now!
Even if I blame it on the excitement of being in Paris
On top of that
it was still a stupid thing to do!!
I'm so embarrassed!
I abandoned the president at the restaurant!
Even though I was finally alone with the person I admire!

6 MONTHS AGO
Gabe seemed so elite.
When I was interviewed at Coven Computers
MISS BOWER?
I READ YOUR RESUME.
Uwah.
He's like a movie star!!
BUT I DON'T WANT TO SEE YOUR PAST ACCOMPLISHMENTS, I WANT TO SEE YOUR VISION FOR THE FUTURE.

He worked well with others and was surprisingly good natured.
Pre-president!
Although he had the image of a capable entrepreneur
You don't have to do it yourself! What if you get injured?
This fight suits Mew out
Even though I was happy just to see him
We won!
Then will all the employees take care of me?
When I realized it my eyes were always following him.

If I told him that
having his child was my dream
I wonder what kind of reaction he would have ?
since he kissed me like that
even though I'd finally decided to give up on that other dream
I remembered it

Monsieur Coven is already up and waiting
Bonjour, Madame.
Good morning.
As I thought, you wake up early Miss Bower.
!?

President !?
Eh?
Even though it would be fine if you slept longer.
Um... I'm sorry about yesterday! At the restaurant..
Ah.. Don't worry about it.
Jeans and a T shirt!?

It's the first time I've seen the president in casual clothes!!
Yo pues...
Sure...
How surprising!!
Perfect timing, shall we eat breakfast together?
We aren't meeting anyone.
Um, when are we meeting up with Emile and the rest?
Huh?

If I'm going to propose
I only had one reason for bringing you to Paris
this is the ideal place.
Eeeeeeh!?

Are you okay?
I'm fine!!
kyaa
I think I just misheard you..
hahaha
Me saying that I want you to be my wife?
President today isn't April fool's day!?
Are you really awake yet?
I know.

Andrea,
I want you to marry me.
Most people won't marry someone without love...?
I think we like each other.

Why are you saying that now?
If it's out of pity for me than I'm grateful but I refuse.
You couldn't have kissed me like that if you didn't like me at all...
Atone?
And this is also my chance to atone....
Andrea, I'll tell you that this isn't pity.
I don't want you to throw away the chance at having children.

Before I came to New York,
I had a one night stand with a woman I met at a party.
We were both still students.
!
In the past I allowed my own child to die.
Soon after I went to a university in New York she came to see me.
And at that moment neither of us thought about the consequences.

You should under stand.
Wait a second, Jane. I'm sorry but I can't marry you.
Come back to the island and marry me!
Please!! I'll do anything!!
.....
!!
I don't love you.

Everyone thought that is was my brother's child, but it was mine..
Jane coming to see me was the proof.
I caused my older brother's wife to have a miscarriage...
She had just had a miscarriage...
She went home and married my older brother
a few months later...
Miscarriage!!

Bible Maidens Group

So me having a child would be your atonement?
...No...
Since then I haven't returned to San Pierre...
After my brother got married my father told me to never come back... so...
I don't want to repeat my regrets.
I saw that you were despairing and
I realized that there I can help you before it's too late.

this time I will reach out and help.
If there's a woman like Jane who wants to give birth
to a child of a man she doesn't even love then..
He just wants a replacement for the child that he lost
This person does not love me
What if I can't get pregnant within 6 months?
If that happens we'll deal with it.
We'll get a divorce?
If we both wish it...
But...

You can answer me tomorrow.
Even if you do that there's no benefit for you
No matter what, I can't believe it!
I want to have this man's children!
Why me!?
But
You have the vitality to adapt to any circumstance...

Eh?
I need a woman like you.
In order to live in San Pierre Et Miquelon
on San Pierre Et Miquelon!?
Live

Hold on a second.
Island! What about the company!?
I sold it to Horatio Technology.
Eeeeeh!?
Horatio is expanding from America and Europe into Asia and South America
The money from selling will provide welfare funds after the island's long economic crisis.
Now they're looking at the South American market anyway.
President...
Are you serious about becoming a fisherman?

Uwah! He's excited about it!!
Of course I'll put enough money in a trust for your and our child's sake.
L.L.
If you're going to change your mind then do it now Andrea.
I won't change my mind.
Since I've already made up my mind!!
